

03 July, 2025

Dear Kunal Bairwa,

We are pleased to offer you the position of Full Stack Developer Intern at Cynbit Technologies. We were impressed by your skills, experience, and passion for frontend development, and we believe that you will make a valuable addition to our team.

Position: Full Stack Developer Intern

Start Date: 7 July, 2025

Location: Jaipur

Salary: Unpaid

Job Responsibilities:

- Build and maintain both user-facing components and server-side logic, ensuring smooth interaction between the two.
- Utilize languages and frameworks like HTML/CSS, JavaScript, React, Node.js, and databases like MySQL or MongoDB to create dynamic, scalable applications.
- Work closely with designers, project managers, and other developers to ensure all application components integrate seamlessly and align with project goals.
- Conducting thorough testing and debugging to ensure a seamless user experience.
- Staying up to date with emerging technologies and industry trends.

Benefits:

- Flexible work hours and remote work options.
- Opportunity for career growth and advancement within the company.
- Professional development opportunities, including training and certifications.
- Fun and supportive work culture with regular team events and activities.

Acceptance of Offer:

Thank you for accepting the offer to join Cynbit Technologies. If you have any questions or require further clarification, feel free to contact Mr. Ashutosh Upadhyay at +91 7891209777.

We are excited about the opportunity to work with you and are confident that you will thrive in this role. We look forward to welcoming you to the Cynbit Technologies team.

Sincerely,

Ashutosh Upadhyay

Cynbit Technologies

Chief Operating Officer [COO]
